For those of you who attended the Commodore's Ball, I hope you enjoyed it as much as I did. We had a great turnout; the food and band were really good and the dining room was beautiful. My thanks to all who contributed to the evening including Janice (Mrs.

Commodore) and Faye (and their helpers) for the decorations, Ty and Kevin for planning the dinner, and to the kitchen staff for executing the plan, and to everyone else who contributed their time and talents to the event. Also, thanks to my family for attending and particularly to my granddaughters for joining in and not rolling their eyes too much at the old folks. It was a big weekend at CBYC with SailGP going on in the gulch and the St. Patrick's Day party Sunday afternoon. Thank you to Pam Meisel for organizing that. It was great to see so many members and guests enjoying the club.

While I am at it, I want to thank Sharon Lampe for organizing the International Woman's Day event and her efforts to organize a CBYC woman's group. I have noticed when visiting Opening Day at other clubs that many also have a women's club, and it will be a good addition to CBYC.

Opening Day is here and it is sure to be another fabulous event. For a change, I am using Cabrillo as the flagship for the boat parade. It looks too good not to show it off. Tasty food and good music. And the flag officers have new shoes thanks to Mike McCormick! It should be fun so don't miss it.

On another note, you may have heard about a boat that was seriously vandalized in the marina. Rest assured that this was not a random act. It was targeted as a result of a personal dispute and arrests have been made

Vice Commodore

Kevin Loper

Thank you to all who helped make Commodore's Ball a special night for Jerry and Janice Beaver. Faye Robertson helped Janice with creating a beautiful dining room, Janice selected the R&B Band while Ty Schmidt organized the meal and all while staying within budget! A special thank you to Cheryl Thomas for once again organizing the annual auction and R/C Mike McCormick for opening our member's checkbooks as auctioneer. This year's beneficiary is our upcoming 2025 ILCA Group 4 & 6 Youth World Championship Regattas. Thank you to our generous donors and supporters for a record-breaking year raising nearly \$12K.

Opening Day, Saturday, April 5th is just around the corner. It will be a full day of tradition and fun! Registration and Hospitality will start at 9:00am followed by the Ceremony at 10:00am. Randy Coleman will entertain during the Ceremony as he did last year. The Boat Parade will follow the Champaign Toast and the Luncheon will begin at noon. Topsy dancing with The Fabulous Nomads will be from 1:00pm to 5:00pm upon which time the Club will close (refer to appropriate lyrics to "Closing Time" by Semisonic).

The St. Patrick's Day Party was a huge success! Standing room only, great meals and drinks. The size of the crowd was unexpected, but that just makes CBYC rock even better. The band invited about thirty of their own clan, SailGP workers attended in large numbers and our own members showed up to share in the fun. Thank you to Pam Miesel for leading this celebration.

April kicks-off Wet Wednesday Racing and the bragging ritual Burger Bash. Everyone is invited to the weekly Burger Bash... racers and non-racers alike! It's a great meal, great fun, and a perfect way to spend "hump day!"

Our cruising program has begun. Sign up early to help our hosts plan and organize your cruising fun. There are so many social events coming up including Easter, Cinco de Mayo, Mother's Day, Friday Night Music, and more. If you would like to help with any of our social events, you are welcome to join us at our Social Committee meetings the last Sunday of the month at 3:00pm. You do not need to commit to organizing an event.

Respectfully and with thanks for your help and participation in making our Club great!

Keep on giving!!

We need ILCA Volunteer's!

Hello CBYC! Welcome to Spring! A lot is happening on the water this month. The Wet Wednesday Race Series begins April 2nd and BUCYC's Fast Fridays start on the 11th. Also, the Spring Pt. Fermin Charity Race Inverted Start is on April 6th. Everyone who wants to participate is encouraged to sign up now to avoid disqualification issues. The Sail GP races were held on March 15-16 with an impressive number of on the water spectators. The club was a favorite destination after the race with lines out the door for drinks and St. Patrick's Day fare! Kevin, Jerry and I assisted behind the bar. It was a crazy good time!

Our first Cruise of the season to Shoreline Village, Long Beach, was a great success! Huge thanks to Eliane and Jim Watson for organizing the slip and dock assignments along with co-hosts Kevin and Puri Loper for their support! With a mix of sun and clouds and brisk temperatures, a lot of good food and plenty of drinks were enjoyed on the dock. This is the second year the cruise included an evening at the Laugh Factory. Serving a variety of comedic shows, it didn't disappoint! The next cruise will be Newport Beach hosted by Lynn and James Brown. Please sign up!

Finally, I am happy to say that the parking lot is done! Completed in time for Opening Day, I am thankful for all the input from our members and the Board. The next project will be the Landing Building.

Fleet Captain

Roger O'Connor

Summer registration is OPEN! Our first Summer class starts June 9th and continues all the way to August 15th. We have the best deal on getting junior sailors out on the water! Please tell your family, friends, neighbors and anyone you think will enjoy the water to go to CBYC.org and click on Summer Sailing under the Juniors tab.

The High School Sailing season is coming up to their national qualifiers. Out of sixty-eight schools, we currently have San Pedro in 22nd, Palos Verdes in 24th and Peninsula in 39th. Both San Pedro and Palos Verdes have qualified to go to the Gold Championship for the last effort to move up in the rankings.

The HS teams have competed in five regattas since September that have contributed to this ranking. With this upcoming regatta championship weighing seven times more than each of those five.

I'm looking forward to seeing many of you on the water for Wet Wednesdays and everyone on Opening Day.

A View From The Dock And Yard

The Marina staff and management committee thank you: the slip and dry storage renters for keeping your slips and spaces clear of clutter. All slip fingers are to be kept clear for safe access for you and for your neighbor. Only a dock step should be kept on the dock fingers.
Note: storing any cleaning chemicals in your dock steps is prohibited.

Cruising Season is starting! Please file a Float Plan. A quick email to Dean@cbyc.org will help CBYC accommodate visitors from other clubs.

Please remember: if you see anything in need of maintenance, please bring it to our attention. We thank you for your help.

April MIP Bio's Michael Lazzaro

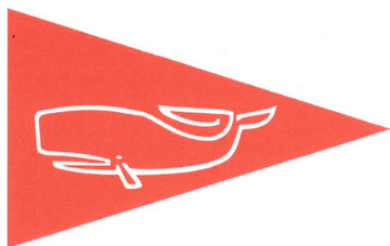

My name is Michael Lazzaro, and I am excited to join the CBYC community. I have been sailing since 2006 and am an active racer in both the International 14 and Wylie Wabbit fleets. Over the years, I have had the privilege of competing in five I14 World Championships, and I look forward to continuing my racing pursuits within the club.

Originally from the Bay Area, I moved to Southern California to work at Skunk Works as an engineer in the defense industry. Recently, I transitioned to a role at a defense startup, which brought me to San Pedro. I am eager to get involved with the club's racing scene.

Exciting News! New Group at CBYC!

WOMEN OF CBYC

Thank you to all the ladies who attended the Vision Board Event last month in honor of International Women's Day. Getting to know everyone better, forming new friendships, and catching up with fellow members was wonderful. CBYC offers a diverse group of individuals, each with unique talents and stories, which is one of the great aspects of having smaller events like this. As a result of this kickoff meeting, we decided to establish a Women of CBYC group that will meet quarterly on Saturdays from 3 to 5 PM; depending on the type of Event it may vary.

Our mission is to connect meaningfully with other women, support our community within CBYC and San Pedro, and show compassion through charitable work and fundraising efforts for women and children.

We are in the process of finalizing our plans for various events throughout the year. Some of the activities we are considering include a High Tea, painting and crochet classes, cooking workshops, and possibly a day dedicated to yoga and wellness. Additionally, we plan to invite guest speakers to discuss topics related to nutrition and health and the history of San Pedro, among other subjects. Stay tuned for our upcoming calendar of events!

CBYC has many other groups as well that don't necessarily have to do with boating or sailing-- so don't be shy and check them out as well -- Book Club, Bingo, and Mexican Train.

Spread the word and get involved- everyone is welcome!

Thank you for supporting our vision of Women of CBYC and being part of its beginning.

RACING Recap: 2025 SCYA Mid-Winter Regatta

In late February, CBYC hosted a successful venue for the 2025 SCYA Mid-Winter Regattas. We had a great turnout in four one-design fleets including ten Cal-20s on Saturday, February 22nd. ABYC's Jeff Ives produced a wonderful writeup about Cal-20 Racing (included below).

Prior to the Cal-20 race, on the weekend of February 15, three other one-design fleets competed over two days of racing. These fleets were: International 14s, Melges 15s, and Mercurys. This race marked the 71st continuous year that CBYC has hosted the Mercury fleet for this regatta (which must be a record). The Mercury fleet winner was CBYC S/C Mike Burch on his Mercury, 'Out A Sight.' Brad Thompson of ABYC won the Melges class, and the I14s were dominated by Michael Pacholski of Kaneohe Yacht Club (yes, from Hawaii). Interestingly, Kaneohe YC will host the Cal-20 National Championship Regatta later this year.

Jeff Ives Cal-20 Wrap Up:

The motor from Long Beach was foggy, but visibility was a good mile or so. Arriving at the CBYC clubhouse it was sunny and warm at about 73 degrees. Mike Wilder was there to greet, along with Jimmy K. After rigging the boat and shoving off the dock, only one tack was needed to get to the racecourse, and the race committee had the fleet of 12 Cal 20s starting the first race right on time at 12:30.

Race #1 was two laps in about 6-8 knots of breeze and smooth water. There was some kelp, but not too much. It was apparent coming off the start line, to tack onto port and go right and the first boat to do that was Sluggo #294, helmed by Bill Schopp. Sluggo was first to the weather mark and held that lead throughout to take the bullet. Godzilla #221 sailed by the father - son team of Jerry and Chris Vilicich was close behind for second and Teimosa #72 skippered by Kevin McCloskey, was third.

Race #2 saw the breeze increase to 8-10 knots and this time it was Godzilla taking first place. Bandini Mountain #376 sailed by Michael DeBrincat took second, with Sluggo in third.

Race #3 had white caps occasionally showing on the left side of the course and it seemed lighter on the right side. Another clean start and again very tight racing. This time, Happy Camper #372 crewed by Steve George and Kenny Dair, along with Bravura #373 sailed by Damon Kunkle and Jeff Ives, took advantage of that left side and prevailed for first and second place. Close behind for third was Bandini Mountain.

Aboard Race Committee boat Cabrillo, the PRO felt there was enough time to run a fourth race. With moderate conditions, this was a great call, as we didn't feel too tired. So the fleet was off for the fourth and final race. Again, close racing continued and it was quite a battle between Sluggo and Godzilla, with Godzilla trailing on Sluggo's transom for the final downwind leg. With maybe three hundred yards to go, Godzilla opted to jibe away onto port and go for the committee boat end of the finish line, while Sluggo held course for the pin end. It was super close as the two boats made their final push. The two crews were no doubt holding their breath, and Godzilla roared across the finish line in first by perhaps half a boat length ahead of Sluggo. What a finish!

Final results posted soon after racing with Godzilla first, Sluggo second, Bandini Mountain third, Happy Camper taking fourth, Teimosa sailing very well for 5th, Bravura in 6th, Breaking Wind #19 Gordon Leon in 7th, Groot Rooi #246 William Clark in 8th, followed by Belmar #90 Liam Haselhorst, Peppermint #1781 Richard Burns, Sanddab #1102 Larry Braslow and Cojones Grandes #27 Kevin Loper.

The Race Committee aboard the beautiful Cabrillo did an outstanding job and Gary Green was terrific keeping sailors informed prior to the race.

Moderate breeze, smooth water, warm temperature, never a powerboat wake, and friendly competition.

What a wonderful day! And, what a fun boat!

Jeff Ives, 'Bravura'
