Mother's Day Brunch was awesome! Once again, Jeff and Gloria Quintero created a beautiful experience for all our mothers to enjoy! The dining room and bar areas were beautifully decorated. A special thank you to Staff Commodore Steve Holmstrom and Norman Tuck for volunteering their culinary skills at the omelet station. I also want to thank everyone who attended for making their reservations in advance. This really helps, especially when we have over 130 members and

guests in attendance.

This week is Fleet Week, and we hope to have many of our Military stop by and spend some time with us so that we can all communicate our appreciation for their service to our Country. Thank you to all our members who donated money for Fleet Week and those who purchased meals or drinks in person.

Lobster Feast is Saturday June 14th. Please make your reservations now as we expect to be sold out once again. Faye Robertson always delivers a great event!

Fourth of July weekend will be a lot of fun! Friday will include Sherri and Mike Brehm's infamous Dinghy Poker Run, and Sherri promises an epic episode this year! Saturday morning will be a newer tradition, the Dinghy Brunch at the Marina Café. We will keep the party going big-time with a special BBQ menu and the awesome dance band, Southbound and Company. The Port of Los Angeles Fireworks display will be on Saturday the 5th, too.

If you have not volunteered to help us make the 2025 International Laser Class Association Group 4 & 6 World Championship Regattas a great experience, please do so by contacting Jackie Loper. Any and all help will be greatly appreciated.

#### Rear Commodore Mike McCormick

Hello CBYC! Whoo-hoo! It's summer! Kids are out of school and graduations are behind us. Our sailing season is robust as ever. The Wet Wednesday Series II has had a great turnout. Thank you, John Stillo, for chairing the series. The Marina Cup Navigation Contest was held on May 10 with 9 participants. I joined the crew of captain Harry Meisel on Firewater as timekeeper along with Pam while John and Maggie Raski assisted the captain at the helm. It was a fun event touring our beautiful harbor and open ocean. Thanks to Randee Wood for putting the event together! The Eli Reuben Regatta was held on May 17th. Thanks to John O'Connor, who generously offered the following event highlights for us.

"Overall, the regatta was a great success! Sailors from up and down the California coast participated in the event. Nick Hartigan was Regatta Chair and skillfully managed the water and landside events. The 44 sailors in the championship fleet had a fantastic weekend of competition. Roger O'Connor, the PRO, managed five races each day! The signal boat had an excellent crew including members Leo Russo and Alex Smith. Steve McJones and Ann O'Connor assisted with starts and finishes. Scott Holcomb, Steve Gierke, Robert Cullinan, and John O'Connor buzzed the harbor as well-tuned mark-set boats."

There were an additional 40 green fleet participants overseen by Coach Gavin with help from KHYC. Our thanks go to the trophy queens who knocked it out of the park again. Commodore Jerry Beaver presented the trophies and introduced the new perpetual trophy. As always, many other members supported the event. Their names may not be here, but we hold them in our hearts.

The third cruise of the season was the Spring Avalon Cruise, and it was a winner, hosted by firsttime hosts Daniel and Daina Rivera. Eliane Watson, our amazing Cruise Chair, sent me some highlights of the event. The signature cocktail served from the "Knarr-whal" was called the "Skip and Go Naked!" Which sounds just like what our cruisers needed! They took full advantage of beautiful weather enjoying local music, nummy pizza and seafood at local restaurants and, of course, the fantastic company of fellow cruisers. With beach time, plenty of Buffalo Milk and too many island adventures to speak of, the cruise was a great success. My complements to Daina and Daniel for really making it memorable! Talk about a wonderful time! Please check out the Cruiser's Corner for more highlights from Eliane.

The next cruise will be the Summer Isthmus Cruise which is one of my favorites. The event promises to be over the top, jointly hosted by Melissa Winter and Jim Axtel along with Lisa and David Smyth, all four of whom are renowned party animals. Scott Holcomb generously secured the Isthmus Yacht Club for our Friday opening evening. Thanks to go Scott and the members of the Isthmus Yacht Club for their support and generous accommodation!

#### Fleet Captain Roger O'Connor

There was a little bit of everything in the month of May! The first weekend we competed in the Walt Elliott Challenge. The second weekend was a lovely party for Mother's Day. The third weekend we hosted the Eli Rueben Memorial Regatta with 80 entries, we hosted the "other" CBYC for a cruise over and had our own Spring Avalon Cruise! Following that, was a season-ending banquet for our graduating High School sailors and Opti racers, which was also the first day of Fleet Week!

I got to PRO the Eli Rueben and there are so many people to thank for their help! Biggest thanks go to Nick Hartigan for acting as Regatta Chair and orga-

nizing all the on-land volunteers, food and activities. More thanks to the many on the water volunteers, especially for that tricky course change in Race 1. It is not too often that you get a 90-degree wind shift to start the day. Added thanks to Lynne Neuman for the beautiful trophies.

June is going to be a fun month as well. June 7th will be another Clean-up Day for the yard where we will primarily be focusing on the weeds and another tidying up of the grounds. We will start by 9am to try to dodge the potential heat. Weed whackers will be the essential tool as well as volunteers to collect the weeds and sweep the grounds. If you are able to come down to help and/or have a weed whacker to lend, please let me know! Roger.OConnor@CBYC.org

# A View From The Dock And Yard

Vacancies: We have five 30 ft. slips available. The Dry Storage Yard has a 23 ft. and a 28 ft. spaces available. Our commercial building is fully occupied. Are you one of our CBYC boat owners who do not rent a club slip? It is time to come home. You will not only support

the club but will also be saving your own money. Check with Dean in the marina office to see which slips are currently available. Join us in the best marina in Southern California. Important: Please make sure the bow of your boat does not extend over the walkway. Please help us eliminate this danger. Also, please return the dock carts to the base of the gangway ramps.

Float Plans: Since cruising season has started, we have received increased requests for reciprocal guest slips. Please fill out a Float Plan form in the club office or email Dean at <a href="mailto:Dean@cbyc.org">Dean@cbyc.org</a>.

Sail safe and have fun doing it,

# June's MIP Bios Peter Stenzel

Peter was born in Boston and grew up in Cleveland, where he first learned to sail on Lake Eerie on an Ensign 22. During high school and college Peter cruised and raced on a wide variety of sailboats, including an Ericson 33, Tartan Ten, S2 9.1, C&C 41, Hobie 16, NACRA 5.2, and a custom DN iceboat. In the summer of his senior year of college Peter was the mate on a Bowman 57, sailing out of Boston to Newport and Bar Harbor and to Halifax and Bras d'Or Lake in Novia Scotia.

When Peter moved to the South Bay in 1990 he began crewing on sailboats there and was on Hot Roller when she won the 1992 Olson 30 national championship in Long Beach. Peter began crewing for Aaron Feves on Lucky in the mid 1990s and has been sailing with Aaron ever since, most recently on his Melges 24, Scoundrel.

Peter recently became a first-time boat owner with the purchase of a 1973 Lido 14. He looks forward to restoring it and sailing it around Los Angeles Harbor.

Peter is strategic development director at Northrop Grumman and lives in Rancho Palos Verdes. He has three wonderful children, Elli (26), Jack (24), and Tess (22), who inspire him to live life to the fullest every day.

#### John McNamara and Lisa Humphreys

Lisa Humphreys and John McNamara are both long-time residents of the South Bay. They have been married for 11 years.

Lisa has always had boats, sailboats while John has little boating experience. They now own a Ranger Tug for cruising to Catalina and other places. They are both avid SCUBA divers and have dived all over the world. They are hoping to use the Ranger Tug for diving while cruising.

Lisa and John are both physicians. John retired after 44 years of practice in the South Bay and Lisa is still working part-time in the Providence system.

Lisa and John have been amazed at how friendly everyone at CBYC has been during their visits and hope to join for cruising with friends and even some mentoring.

# CRUISERS' CORNER JUNE 2025

#### **Newport Beach Cruise**

Thank you, James and Lynne Brown, for hosting this fun-filled weekend, such a great job!!

We had 13 boats attending and thank you to our non-boaters who joined us by car. We enjoyed a Friday reception on the docks, with a spread of great food, delicious cocktails and a special cake to celebrate "Happy Birthday, Cheryl Thomas." Our evening continued with the talented, Steve Lampe and Mike Brehm, entertaining us into the night.

We kicked off Saturday early with the whole group walking over to Woody's Wharf and enjoyed a really nice Brunch with Bloodys and Mimosas. Our timing was great; we were seated with drinks as we watched a quick-moving downpour. It was all nice and clear for our walk back!! Lazy afternoon hanging around beautiful Marina Park. On Saturday evening we went to the Spaghetti Factory for a delicious dinner. We were lucky again and missed the second downpour while in the restaurant. Again, THANK YOU, to our Hosts!

#### <u>Avalon Cruise</u>

Danny and Daina Rivera hosted their first cruise and did an outstanding job!

The weekend began onboard the "Knarr-Whal," where we were greeted with signature "Skip and Go Naked" cocktails... LOL! We enjoyed live local musicians on the bow, "Catalina Eddie and Cindy May," pizzas from Antonio's and a beautiful evening on the ocean. Sherry Brehm and Gloria Richards won cozy ponchos and couples' gifts during the raffles. The evening wrapped up at the Lobster Trap for a delicious group dinner.

CRUISERS' CORNER JUNE 2025

Saturday was full of events, with 25 of us at Descanso Beach sharing tapas and sipping Buffalo Milks; it was fun!! The group strolled to Avalon Casino Theater to catch the 100th Anniversary screening of "The Phantom of the Opera" and live music, a true highlight of the trip, and learned about 3–D imaging and film history. We finished the day with 20 of us gathering at Avalon Grille for dinner, enjoying local Rusack wine and the popular "Shoreline" cocktail. Some of we Cruisers made it to Luau Larry's for "wiki packed," and eventually to Chi Club to dance the night away.

A very special thank you to our wonderful and generous hosts, Danny and Daina Rivera, for this amazing Cruise!!

#### \*\*NEXT UP\*\* Cat Harbor Cruise

We are going to Cat Harbor July 11 – 13 and this cruise is planned to be full of activities. Ray and Amy Koehler and David and Lisa Smyth are our "Love Boat 70s/80/s" hosts.
